TEACHING EXPERIENCE

Teacher MSc Tax Policy

Erasmus School of Economics | 2023-now
I teach the course FEM11040 Tax Policy for MSc students in Economics and Taxation. The goal of the course is for students to write a research paper where they use economics methods to answer a tax policy-relevant research question.

Teaching Assistant Research Project

Dr. Bastian Ravesteijn | April-July 2021
I assisted Dr. Bastian Ravesteijn in his course Research Project. In the course, students practice econometrics through applying several econometric methods to different types of data. Furthermore, students develop academic experience by writing two research articles.

Teaching Assistant Mathematics 1, Statistics 1, and Microeconomics

Erasmus School of Economics | 2018-2019
I was a Teaching Assistent for three of the core mathematical courses of the BSc Economics and Business Economics.

ACADEMIC EXPERIENCE

Scientific Committee on EU Tax Law

Vereniging for Belastingwetenschap (Dutch Association for Tax Law) | 2023-now
I am part of an interdisciplinary scientific committee that is tasked with drafting a report on the influence of EU law on Dutch and international tax law.

Research Assistant Health Economics

Prof. Dr. Hans van Kippersluis | 2019-2020
As a research assistant, I assisted with empirical analysis, literature research, and peer reviewing academic papers. The research project concerned analysing administrative microdata to assess the effects of first childbirth on Dutch parents' earnings trajectories.

Student Assistant ESE Bachelor Honours Class

Erasmus School of Economics | 2019-2020
I helped arrange the ESE Bachelor Honours Class of 2019-2020 with theme cycles on Poor Economics and Policy Economics, and a skills programme including co-creation, culture, personal leadership, and empirical research.
